Worksheet No. 5

(Lesson 34)

Part 1: Finding Chords

On the Staff below, write the chords indicated below the staff. Write them in root position. Hint: Start by writing the root note, then find your intervals from that. (Don't forget about the accidentals!)

C Major F Major Bb Major A Major

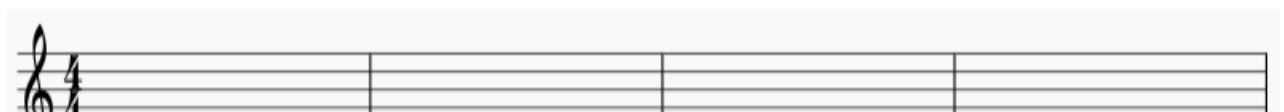

E Major Ab Major C# Major D Major

Part 2: Finding Chords by Roman Numerals

On the Staff below, write the chords indicated below the staff. Remember that in order to know what chord is being indicated from a roman numeral, you need to know the key.

Key of F: I IV iii V

Key of D: IV vi V I

On the next pages are the answers. Try hard to think through all of your answers before you look at the correct answers!

ANSWER KEY

Part 1: Finding Chords

On the Staff below, write the chords indicated below the staff. Write them in root position. Hint: Start by writing the root note, then find your intervals from that. (Don't forget about the accidentals!)

A musical staff in 4/4 time with a treble clef. It contains four chords in root position: C Major (C4, E4, G4), F Major (F4, A4, C5), Bb Major (Bb4, D5, F5), and A Major (A4, C5, E5).

C Major F Major Bb Major A Major

A musical staff in 4/4 time with a treble clef. It contains four chords in root position: E Major (E4, G#4, B4), Ab Major (Ab4, C5, Eb5), C# Major (C#4, E#4, G#4), and D Major (D4, F#4, A4).

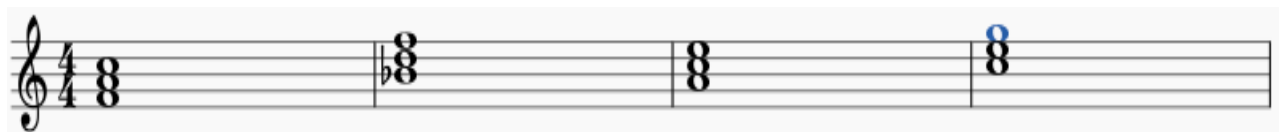

E Major Ab Major C# Major D Major

Hint:

C# Major is a tricky one. Another way to think about it is like this: You know that C Major is C-E-G. C# major will be all three notes up a half-step.

Part 2: Finding Chords by Roman Numerals

On the Staff below, write the chords indicated below the staff. Remember that in order to know what chord is being indicated from a roman numeral, you need to know the key.

A musical staff in 4/4 time with a treble clef. It contains four Roman numerals: I, IV, iii, and V. The key signature is one flat (F major).

Key of F: I IV iii V

Key of D: IV

vi

V

I
